Seasons Greetings From Chief Bull

Greetings and Happy Holidays to All! I hope the end of this year is spent surrounded by loved ones and filled with happy memories that help begin this new year in a good way. I am thankful for all of you who have walked this difficult journey with us and continue to support us in "Bringing Our Children Home". The strength and resilience of our community, Elders and Survivors inspires us to push forward this important work that has begun. Work that will help us heal, conduct the searches, discover the truth, and move towards reconciliation and reclamation for our people. I am so proud of all that we have achieved this year.

Even though the end of this year is near, this important work will continue, and the impacts of this work will echo far into the future of our young ones. I look forward to the continuation of this integral work in the New Year and all the good work that is starting in January. I wish peace and joy to you and your loved ones!

Chief Clifford Bull of Lac Seul First Nation
